'Classiest' party at the Yacht Show

MONACO YACHTING, MONACO LIFESTYLE: My Yacht Group hosted what was deemed the "classiest party" to be held at MYS for the past five years aboard the uniquely designed 54m Admiral M/Y Sea Force

One, currently available for sale and charter through Rocco Finocchiaro at MerleWood & Associates...

Presenting partner Battersea Power Station showcased its iconic London development to the hand-selected, HNW guests aboard that included a ministerial delegation from emerging banking force Bogd Bank of Mongolia. Guests enjoyed vintage Perrier-Jouet rose champagne, fine rose and white wines from European Winery of the Year Chateau d'Esclans, Royal Salute, Martel Cordon Bleu, plus the new 'luxury' beer Neuschwansteiner while feasting on truffle risotto and entertained by live jazz.

One hundred percent of proceeds from a silent auction of two places aboard My Yacht Monaco at the 2016 Grand Prix raised 12,000 euros for charity partner the Prince Albert II of Monaco Foundation. Other brand partners aboard included Barnes International, Dotta, and Premium Monaco.
